Experience

INTERN | FORTE PICTURES | MAY 2026 – PRESENT

- Established an SEO and link-building strategy for Past Present Feature's 78+ filmmaker interviews, using Google Search Console to baseline indexing, search performance, and backlinks
- Improved Past Present Feature's digital discoverability by updating its IMDb presence to accurately reflect the show's interview archive, episode listings, and guests
- Supported Forte Pictures' film production operations by assisting with on-location interview shoots, including filming environment preparation and production setup

INTERN | SYSTECH SOLUTIONS | JUNE 2025 – PRESENT

- Improved data quality across enterprise data pipelines by building SQL validation queries within Microsoft Fabric to verify key business KPIs
- Supported reliable business reporting by developing data transformation and validation workflows using Microsoft Fabric and SQL
- Created Power BI dashboards to visualize operational metrics and communicate insights

PRODUCT MANAGEMENT MARKETING INTERN | GRAD PAD | DECEMBER 2025 – MARCH 2026

- Improved layout and design consistency across 20+ customer-facing web pages in Grad Pad by collaborating with product stakeholders and redesigning components and layouts in Figma
- Supported marketing initiatives by designing presentation slide decks and visual assets, including event graphics, used in program events, stakeholder communications, and social media
- Conducted competitive product analysis of co-working platforms, evaluating feature sets, user flows, and positioning to inform product design and marketing strategy
- Improved user experience by conducting heuristic evaluations of the website to identify pain points, applying established UX heuristics to evaluate clarity, consistency, and user flow

INTERN | BUKU STUDIOS | SEPTEMBER 2025 – DECEMBER 2025

- Delivered polished, client-ready visual assets by editing 30+ professional photographs in Adobe Photoshop, including retouching, background extensions, and color correction
- Strengthened campaign storytelling and visual direction by collaborating with creative leads to design moodboards, storyboards, and shot lists for client photoshoots and advertising campaigns
- Conducted social media and email outreach to 300+ collaborators to expand brand reach
